

AFTER SCHOOL ATHLETICS – Art Studio Pilot

Overview and Registration Form

Art Studio will provide interested students the chance to more deeply explore the media they like best. Students will choose one art track, either two dimensional or three dimensional art. The first week all students will learn to use their observational skills to draw what they see. On week two, the class will break into the two different tracks. One track will focus on two dimensional art with a focus on drawing and painting. The other track will focus on three dimensional art using clay, paper mache, and multi-media.
