DISCLOSURE OF STUDENT RECORDS

Permission for Release of School Information

Student Name: _____ Birth Date: _____

Releasing School Name: _____

School Address: _____

School Phone #: _____ School Fax #: _____

I give permission for the above-designated school to send information to Reach Christian Schools. Under Title 14, Education 200 Administration and Operations, section 3.2.1, "Public schools, school districts, private schools and educational programs operated by the Department of Services for Children, youth, and their families shall promptly transfer a student's cumulative record file upon the request of a receiving school." Section 2.1.1 states, "The student cumulative record file shall contain the **emergency treatment card, identifying data, school health record, progress report, student transcript (for students in grades 9 and above) and discipline record.**" Effective 2/2005, "all health records shall be interfiled with the student cumulative records at the time of graduation, withdrawal, or transfer."

Please release the academic and health information together to the address provided below.
