Ballet and Jazz – Grades 2-5

Wednesdays, 9/20/17 through 12/13/17 (12 weeks), 3:20-4:15 pm,

Red Lion campus (no class 11/22)

Teacher: Mrs. Brianna Thompson

Ballet and jazz are not only two of the most important genres of dancing, but the two most popular! Within the hour of weekly training we will split the class evenly into approximately 30 minutes of ballet and 30 minutes of jazz. Throughout our time together we will be building the foundation of basic and intermediate level technique needed to execute turns, leaps, and choreography. We will explore creativity with different combinations to make our time together fun and exciting! There will be a short recital held at the end of our session consisting of both ballet and jazz dances. Comfortable clothing is needed for this class. You are more than welcome to purchase tights and leotards but it is not required. Ballet shoes are requested. Boys and girls are both welcome!
