

SCHOOL OF PERFORMING ARTS
Beginning Violin Group Class – Grades 2-5
Thursdays, 9/21/17 through 12/14/17 (12 weeks), 3:20-4:15 pm,
Red Lion campus (no class 11/23)
Teacher: Ms. Francesca DiGiacomo

Learning a musical instrument enhances focus and concentration, teaches perseverance and discipline, and when learned in a group, encourages teamwork and fosters an encouraging disposition. Through our group violin class on Thursdays we hope to approach music in a fun way by working and learning together. We will be working through the Suzuki books which contain a long list of beautiful songs that provide a strong technical foundation. Your child will need a violin as well as the first Suzuki book with the CD. Music stores, such as Music and Arts, will measure your child and give them the correct size violin. We will have a short recital at the end of each semester.
