

Reach Christian Preschool Application Process

Red Lion Christian Academy offers an accredited preschool program for three-and four-year-old students on the Red Lion Campus and is pleased to announce that preschool classes will also be offered on the campus at Reach Church. Both locations are conveniently situated and offer ideal environments intentionally designed for young learners.

The Red Lion Campus is reserved for siblings of students enrolled in kindergarten through twelfth grade at Red Lion Christian Academy or Tall Oaks Classical School. The Summit Bridge campus mirrors the Red Lion campus preschool program and is available to families desiring a Christ-centered early education foundation.
